## St. Bernard's Parish Faith Formation

Welcome to the first issue of the Faith Formation Newsletter!

This monthly newsletter will be used to share Faith Formation news, class activities, important dates and upcoming events.

We want this newsletter to be valuable to you, so please feel free to provide feedback to help us improve.

### CLASSROOM ACTIVITIES

#### Grade 1:

Welcome to 1st Grade Faith Formation! We are excited to be working with your children this year. Our year started off with a trip to St. Bernard's Church and met our 7th grade mass buddies. We will go to mass every Tuesday and Thursday and will have class the rest of the week. If you would like to join us on a mass day, everyone is welcome – just meet us in back of church at 7:45am.

This year we will be working on learning how to genuflect, some of the basic prayers, and the parts of the mass and what we do in church during mass. Any extra reinforcement you can give at home would be greatly appreciated!

Our first couple chapters in our Call to Faith book will identify who God is, His gifts to us, and how we can care for the living things.

If you ever have concerns or questions, please feel free to contact either of us. Our contact information is provided on a different page in this newsletter. We are also both at school every day – so you can call school too #618-248-5146.

**-Janel Zurliene and Chris Huegen**

#### Grade 2:

Our focus in second grade will be preparing for the Sacraments of First Holy Eucharist and Reconciliation. In addition to preparing for these two very important sacraments, students will be learning and growing in their faith lives in many ways through lots of different activities. We prepare for each of the sacraments with a mini-retreat and parent meetings. More information will follow regarding dates and times for those events.

I look forward to working with the students and families in helping to set the foundation for your child's faith life. My contact information is provided on a different page in this newsletter.

## FATHER ANTHONY'S GUIDANCE

["Happiness can only be achieved by looking inward and learning to enjoy whatever life has and this requires transforming greed into gratitude."](#) - St. John Chrysostom

Folks! Catholics are joyful people. We even have a book on it (See Joy of the Gospel by Pope Francis). Joy is deeper than happiness because it is rooted in Christ. Everything we go through in this life is an opportunity to grow in holiness. We must be joyful about everything God has given us. God has given us a great opportunity, to be a saint. Each person on this earth has a different journey to become a saint. This is why we must thank God for everything and we do this by accepting the good, the bad, and the ugly with great joy.

Each one of you. Have a lovely week ahead.

**-Fr. Anthony Onyango**

## THE DEACON'S REMARKS

### **Welcome everyone to the 2018-2019 Faith Formation Class**

I hope you have all had a fruitful summer and time to relax.

First of all, I would like to welcome our new students and Parents. This is where you will stay for the coming years. Most probably, this is where you will meet the best friends of your life. Please accept our best wishes. And to all the returning students, welcome back. And of course, to our teachers, welcome back too. Thank you for your hard work. I believe that with everybody's contribution, we will have a very successful year ahead.

What is meant by learning wisely? What is learning to you? More importantly what is learning to your children? Find out how your children learn.

How do you do that? My suggestion is, start asking questions. Young children ask a lot of questions. They are interested in many things around them. They want to know, so they ask, and this is how they learn. Unfortunately, the older we get, the less questions we ask, and the less we learn. To become a wise learner, the first thing to do is to re-build the habit of asking questions. Start asking questions again, like what you did when you were small. Always ask "WHY", 'Why is it like this', 'Why doesn't it happen like this', 'Why are they the same', 'Why are they different'. Ask "HOW". 'How is it related to me', 'How does it work', 'How is it made', etc. Ask "WHAT". Ask "WHERE". Ask "WHICH". Ask anything that you don't understand. When you get into the habit of asking questions, you will ignite your inquisitive mind. Remember to start asking your children questions. If you are interested in them, then you motivate them to learn because what they learn is important enough that you take the time to ask.

God teaches us to love our neighbors. When we follow the teaching and make an impact on the lives of others, our lives become meaningful. Are you living a Christian life now? Set it as another life-long goal of yours and get closer to it each day.

To sum up, the message I want to get across is asking you to: Learn Wisely and Live in Christ. I hope you will remember this for the rest of the year, and for the rest of your life.

On the next page you will find the contact information for our colleagues and your helpers in teaching your children the ways of faith.

Let me welcome everybody again, staff and students, new and old. Let's work closely together for another fruitful year and offer this to God, who is watching from above. Thank you!

## FEAST DAY MASSES

In many Spanish countries the feast of the parish patron saint is celebrated by the whole community with the Feast Day Mass, plenty of music and food.

The feast of St. Bernard was Monday, August 20. The community held a raffle at the August 19<sup>th</sup> 10:00 a.m. mass at St. Bernard announcing a few lucky winners!

The feast of St. Damian is September 26. This year the people of St. Damian will gather for a bilingual Mass (music and scriptures) on Sunday, September 23 at 11:00 a.m. and then celebrate with food and games.

The meal will be potluck so everyone is invited to come and bring something to share.

Thank you,

**-Sister Ellen Orf**

**NOTE TO PARENTS**

School doors open at 7:15 a.m. Students will be supervised in the cafeteria until classes begin. The bell rings in the cafeteria at 7:30 a.m. and we begin with prayer at that time before we dismiss to the classrooms. Please try to arrive prior to 7:30 a.m. so we may begin together.

Our schedule is class time on Monday, Wednesday, and Friday and Mass on Tuesday and Thursday which begins at 7:45 a.m.

It is very important that you make every effort to have your student attend Faith Formation daily. If your child is unable to attend class/Mass, please contact your child's teacher via call, text, or email, or have your child bring a note the next day he/she attends class to explain the absence. As always, please contact us with any questions, ideas, or concerns you have throughout the year.

Parents/grandparents are always invited to be a part of Faith Formation and join us for Mass. Many prayers and blessings to all of you as we begin this new school year!
